

Chatswood Chase – Lower Ground Atrium Centre Space

This activation site is located on the lower level in front of Kmart & Toy Zone.

The site is up to 8m long and 7m wide and enjoys high visibility from all four sides of the centre and from the level above.

Located on the same level as the food court, the site benefits from a high volume of foot traffic. There is a large retail media digital screen located above Angus & Coote giving the ability to create further brand awareness to this site.
